## ABOUT INSTITUTION:

**Global Institute of Engineering and Technology, Hyderabad, Telangana is affiliated to JNTUH & approved by AICTE. GIET was established in the year 2006 with a vision to produce technologically skilled Engineers of world class competency to address global challenges. GIET nurtures and supports a unique system of education structure on values and combines the tenets of the academic excellence with corporate professionalism. The primary objective at Global Institute of Engineering and Technology is to impart quality education which leads to quality living. Located at Moinabad, the sprawling campus spread over 28 acres of lush greenery creates the most conducive environment for education. GIET offers undergraduate programmes in ECE, CSE, CE, ME, CSE(AI & ML) and postgraduate programmes Embedded Systems & Structural Engineering.**

**The system of education at Global Institute of Engineering & Technology grooms the students to rise into professionals and leaders of high academic caliber with unblemished character. Dedicated, experienced and qualified faculty help in honing the skills of students at early level of their learning.**

## ABOUT THE DEPARTMENT:

**The Department has good infrastructural facilities and is equipped with full-fledged laboratories. The Department also has audio-visual teaching aids with LCD for effective teaching. Keeping pace with the Global Trends GIET has established advanced labs in Digital Electronics, Mobile Communication, Embedded Systems, VLSI Design, Microwave Engineering etc. Main thrust of ECE Department is to provide better quality education required by the present industry and train the students in new technologies to equip them to cater to the present global requirements. The Department is offering M.Tech in Embedded Systems.**

## ABOUT IQAC:

**In accordance with the NAAC guidelines, the Internal Quality Assurance Cell (IQAC) was established in 2016 to initiate, monitor, evaluate and report on relevant measures to upgrade the quality of teaching, learning, evaluation and research initiatives in the campus. The Centre for Academic Excellence was created to conduct faculty development programmes. The internal quality assurance cell, the centre for academic excellence and the ISO collectively took care of continually upgrading the texture of quality in the campus, in keeping with the vision and mission of the management crafted on the basis of inputs from stakeholders.**

## ABOUT THE COURSE:

**Cyber security is the process of protecting and defending information systems from threats such as misuse of system attacks, data theft, malware outbreak and system outages.**

**Risk of Cyber security is increasing day by day, driven by global connectivity and usage of cloud services, like Amazon Web Services, to store sensitive data and personal information. The purpose of the cyber security workshop is to share best practices on running national cyber drills and elaborating national cyber security strategies.**

## TOPICS TO BE COVERED:

Sir,

Sub: Hosting a One Week Certificate Course on **Cyber Security**– Reg.

*****

The Department of Electronics and Communication Engineering is planning to host a **One Week Certificate Course on Cyber Security** from 04/10/2020 to 09/10/2020 on Zoom Platform. I would like to take your permission and support to conduct the Course. It will be ensured that information delivered to students is standardized.

The objectives of the course are to enable the participating students to understand the concept of Cyber Security and its applications. It is therefore important for students to have a deep understanding of concept, to determine the objective, to decide on a key project and to enhance knowledge. This Certificate Course will be very key as it will bring new ideas for the projects of students of the Department.

Kindly accord approval so as to make necessary arrangements for hosting a One Week Certificate Course on **Cyber Security**.

Thanking you.
