(Category-A)-Furnished -Regarding.

Admissions into professional Engineering, Pharmacy and Management programmes for the academic year 2014-15 were completed. The lists of candidates allotted by the Convener and the admissions made by the managements under spot admissions into various colleges course-wise are herewith enclosed.

The following few points shall be noted with regard to the lists:

- Candidates allotted by the convener were asked to report first at the nearest Helpline Centre (HLC) and then at the college allotted. Candidates reported at the HLC are now included in the list.
- However, certain candidates did not report at the college allotted, even after reporting at the HLC. The names of such candidates are also now figured in the list enclosed.
- While conducting spot admissions, the colleges were asked to intimate to the Convener regarding the not reported cases, Cancelled at the college-level and also sliding and fresh admissions made.
- Accordingly, two separate lists duly authenticated by the Convener are given to each college. The first list contains the list of candidates allotted and reported at the Convener designated HLCs and the second list comprises of list of candidates not reported/drop outs/cancelled as well as list of internal sliding/fresh admissions.

Due to non-submission of the details of the not reported/cancelled candidates by the colleges, the lists could not be updated. Hence, the university authorities are requested to take into cognizance of both lists while arriving at the final number of candidates in each course. It is also requested not make any further correspondence with the convener on this issue.
