## 5. Inequality as a Gender Issue in the Workplace

GIET organized on 25<sup>th</sup> November 2017 an awareness programme on “Inequality as a Gender Issue in the Workplace” in room no 4. We invited Dr.Lakshmi Rajkumar, Retd Prof- BNSC as speaker of the day and madam said that Gender inequality is one of the oldest and most persistent features of human history. Dating back to more than seven centuries when agriculture emerged, men have continued to dominate gender relations with women’s role being confined to the homes as house wives and taking care of the children while men’s place was in the public domain. She inspired everyone with her speech and 110 staff and students attended.

## 8. International Women's Day

International Women's Day was celebrated on 08<sup>th</sup> March 2018 in GIET. The function was organized and women achievers were felicitated. 104 staff and students participated in Dr. Ahmed Hasanuddin auditorium, at room no 4, to celebrate this event like a festival. International women's day is celebrated on 08<sup>th</sup> March every year. It is a day to honor the working women in particular as they have to balance with professional and domestic lives. It is declared as a public holiday in most of the countries to celebrate the womanhood and fight for their rights. Thus it is a focal point in the movement of women's rights.
