

ABOUT INSTITUTION:

Global Institute of Engineering and Technology, Hyderabad, Telangana is affiliated to JNTUH & approved by AICTE. GIET was established in the year 2006 with a vision To produce technologically skilled Engineers of world class competency to address global challenges. GIET nurtures and supports a unique system of education structure on values and combines the tenets of the academic excellence with corporate professionalism. The primary objective at Global Institute of Engineering and Technology is to impart quality education which leads to quality living. Located at Moinabad, the sprawling campus spread over 28 acres of lush greenery creates the most conducive environment for education. GIET offers undergraduate programmes in ECE, EEE, CSE, CE, ME, AI & ML* and postgraduate programmes Embedded Systems & Structural Engineering.

The system of education at Global Institute of Engineering & Technology grooms the students to rise into professionals and leaders of high academic caliber with unblemished character. Dedicated, experienced and qualified faculty help in honing the skills of students at early level of their learning.

ABOUT THE DEPARTMENT:

The Department has the necessary infrastructural facilities required for imparting high-quality education and the department is fully structured to meet the contemporary needs of the industry. Imparting high-quality education is supported by well qualified and experienced faculty; further support is extended by technically skilled and competent programmers. Seminars, Workshops and Technical Symposia are conducted in the department to keep faculty and students updated with the latest developments in various technologies. The students in the department are moulded into competent software professionals, to face the challenges of the IT sector.

A Three-Day Workshop Programme on

“Test Automation Framework”

25th – 27th October 2017

Organized by
Department of Computer Science

Organizing Committee:

Chief Patron:

Mr. K. M. Arifuddin , Secretary,
MEWS

Patrons:

Mr. K.M. Fasihuddin,
Dy.Director, GPC

Chairpersons:

Dr. V. V. V. S. Murthy,
Principal, GIET

Dr. Mrs. Ravindra Tiwari,
Dean, GPC

Convenor:

Mr.Syed Mazharuddin ,
Head Dept. of CSE, GIET

Coordinator:

Mr. G. Mahoob Subhani,
Asst. Prof., Dept.of CSE.

VISION:

The Vision of the Department is to produce professional Computer Science Engineers who can meet the expectations of the globe and contribute to the advancement of engineering and technology which involves creativity and innovations by providing an excellent learning environment with the best quality facilities.

MISSION :

M1: To provide the students with a practical and qualitative education in a modern technical environment that will help to improve their abilities and skills in solving programming problems effectively with different ideas and knowledge.

M2: To infuse the scientific temper in the students towards the research and development in Computer Science and Engineering trends.

M3: To mould the graduates to assume leadership roles by possessing good communication skills, an appreciation for their social and ethical responsibility in a global setting, and the ability to work effectively as team members.

ABOUT THE WORKSHOP:

Workshop is important in adapting both for students and staff members for changing roles in initiating and setting the directions for curricular changes. The major focus of the workshop is on upgrading skills of students in the field of Test Automation. This workshop training program is intended to provide opportunity for students to upgrade their knowledge in the areas of Computer Science and Engineering.

Learning Outcomes:

Upon completion of this programme the participant will be able to Know:

- Test Automation using frameworks
- Different types of testing frameworks
- Testing frameworks in the Agile
- Importance of Literature review
- Modular and Data driven testing frameworks
- Keyword driven and Hybrid testing frameworks

Eligibility:

- **All the III and IV year Students of Computer Science and Engineering.**

Registration Details:

- **Registration will be done by filling Registration forms.**
- **Last Date: 25th October 2017**
- **No registrations will be accepted after specified date.**
