III. College Profile and Responsibilities

Global Institute of Engineering and Technology (GIET) was established in the Academic year 2006 with the sole objective of catering to the needs of quality technical education in an area, though remotely situated, bristles with potential for development. A self-financed college sprawling over 27 acres of land of scenic landscape has been laid out to create a unique learning environment. The college is located in Chilkur (V), Moinabad (M), Ranga Reddy Dist., Telangana State, 501504

IV. ITC RESPONSIBILITIES UNDER THIS MOU

[ITC ACADEMY] shall undertake the following activities:

- I. The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- II. The interaction between Industry and College Centre will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- III. The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- IV. The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- V. The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.
