

### **About the Organization**

Global Institute of Engineering & Technology (GIET) established in the year 2006, nurtures & supports a unique system of education structure on values and combines the tenets of academic excellence with corporate professionalism. The primary objective at Global Institute of Engineering & Technology is to impart quality education which leads to quality living. Affiliated to JNTU Hyderabad, the college has completed more than a decade of dedicated service to the people of India in the field of Technical Education. Located at Moinabad, in a sprawling campus spread over 30 acres of lush green environment provides an ambient study atmosphere.

### **Vision**

To produce technologically skilled Engineers of world class competency to address global challenges.

### **Mission**

M1:- To make the Department a Centre of Excellence in the field of Civil Engineering.

M2:- To promote innovative and sustainable thinking in the minds of budding Engineers to face the challenges of future and enable lifelong learning.

M3:- To inculcate knowledge based Civil Engineering education and empower them with necessary skills and values required for higher education, research and industry for their comprehensive acceptance at global level.

M4:- To produce Civil Engineers of good calibre, technical skills and ethical values to serve society and nation.

### **About the Department:**

The future of the world is going to be technology driven and knowledge driven. The Civil Engineering Department at GIET offers UG courses in Civil Engineering & PG in Structural Engineering with modern infrastructure to undertake high-end teaching, and developmental activities with state of art laboratories like Surveying, Strength of Materials, Engineering Geology, Concrete Technology, fluid Mechanics, Hydraulic Machinery Lab, Advanced CAD Lab, RS & GIS Lab, Advance Concrete Technology Lab, Transportation Engineering Lab, Environmental Engineering Lab etc., besides highly experienced faculty.

The department regularly participate, organize and conduct many Workshop Programs and also publish their work in reputed Journals National & International under the able guidance of head. Students have regular Industrial and institutional visits to provide them practical knowledge. Video lectures, special guest lectures and interactive e-class rooms are a part of regular curriculum. Students of department are encouraged to work with many organizations

Department offers various courses under PMKVY since 2017 (an AICTE approved and Ministry of HRD Govt. of India initiative) is also conducted at regular intervals for underprivileged students who cannot make it to the corporate due to unavailability of opportunities. This course is a citadel of social upliftment for imparting technical skills and leading a society for inclusive and sustainable growth.

### **About the Workshop:**

Workshop is important in adapting both for students and staff members to their changing roles in initiating and setting the directions for curricular changes. The major focus of the workshop is on upgrading the teaching, training, and research skills of students and staff members. This workshop training program is intended to provide opportunity for students and staff members upgrading their knowledge in the areas of Civil Engineering.

Importance of Research Methodology and its importance in Technical Research

### **Learning Outcomes**

Upon completion of this programme the participant will be able to:

- Objective of Research Process.
- Methodological Approach.
- Hypothesis and its formulation.
- Hypothetical Testing methods
- Research Paper
- Procedure of writing Research Paper
- Plagiarism and its importance for document checking

### **Organizing Committee:**

#### **Chief Patron**

Mr. K. M. Arifuddin , Secretary,

Sir,

Sub: Permission to Conduct 3-Day Workshop  
II Semester – Academic Year: 2018-19

\*\*\*\*\*

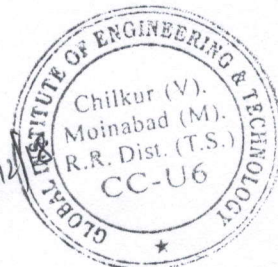

This is to get it to your kind notice that we Department of Civil Engineering are interested to conduct a 3-Day workshop on Research Methodology-Module-I, from 27/12/2018 to 29/12/2018, which is undertaken for students benefit as a value addition to curriculum of course.

The Workshop aims to make the participants productive by giving them the ability to understand the importance of Research Methodology. This Workshop will help the students in practically understanding the Research Methodologies of Research Targeted participants for this workshop are students of III years.

Kindly accord approval so as to make necessary arrangements for hosting a 3-Day workshop on Research Methodology.

Thanking you.
