**A REPORT
ON
THREE DAY WORKSHOP:**

Digital Learning: The Prospects of IoT Technology in Education

The MBA Department has arranged a Three-day Workshop on “Digital Learning: The Prospects of IoT Technology in Education” for all the students of MBA Department from June 27th - 29th, August 2018 in the campus. The Workshop was scheduled between 09:30 to 03:40 Hrs. The course was designed to provide complete knowledge of Developing and using creativity in learning. students will be able to develop different strategies which will help them to create easy to understand the course. Also by learning the basics of new dimensions they can easily understand the course. It is therefore important for students to have a deep understanding of concept, to determine the objective, to decide on a key project and to enhance knowledge. The Workshop was conducted by Educational Television Centre and IMCO National Institute of Technical Teachers Training and Research, Chandigarh.

Day 1:

The first day of the Workshop initiated with the motivating speech of Dr. V.V.V.S. Murthy, Principal of Global Institute of Engineering and Technology, followed by the discussion of its importance for the students by Dr. B. Swathi(HOD) of our department. The coordinator of this occasion, Mr. T. Karunakar, Assistant Professor, and Department of MBA welcomed the gathering. Followed by this our Resource Person, Prof.Maitreyi Dutta, and Head Educational Television Centre and IMCO National Institute of Technical Teachers Training and Research, Chandigarh. delivered his inaugural and introductory speech.

The Technical session started immediately after inauguration, at 10.00 AM and Prof.Maitreyi Dutta has introduced the basics of Developing and using creativity in learning. She has mostly emphasized on the critical importance of Modern techniques in education system, differences between Modern and Traditional. After the tea break she then delivered her talk on the important strategies of changing dimensions in marketing scenario. After the lunch break there is a discussions session on students role play on new technology for developing education system from 2:00 PM to 3:30 PM.

Day 2:

The second day session was chaired by Resource person Dr. Mamta Khosla, Associate Professor who delivered a lecture on different techniques and methods used in traditional and modern education system from 9:30 AM to 11:00AM. After the tea break the morning topic

continued with illustration. It was followed by same lecture on techniques and methods used in developing and using creativity in Indian education system' from 11:15 AM to 1:00 PM. After the lunch break the session has continued advantages and disadvantages for developing and using creativity in learning

Day 3:

On third day, first session was initiated at 9:30 AM by a lecture on Changing dimensions in developing and using creativity in learning in Indian education system by our Resource Person Dr Balwinder Raj, Asst. Professor, NIT Jalandhar .He spoke about the impact of education system through creativity learning. The final session was practical implementation through micro teaching from 11:15 AM to 1:00 PM. All the students participated in the session actively and showed enthusiasm. The workshop was concluded by Valedictory followed by feedback and certificate distribution to the participants.
