Sir,

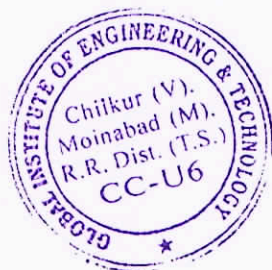

Sub: Permission to Conduct a Seminar on Personality Development– Reg.

The Department of Computer Science Engineering is planning to Conduct a Seminar on 'Personality Development' on 16-03-2019. Young adults today are under tremendous pressure in order to get a Good Position for survival in life. They are subjected to fierce competitions with peers not only in academics, but also in job hunting and establishing careers. It has long been felt that besides prescribed curricula, our students must be given additional training in relevant aspects so designed to widen their outlook and perspectives. Accordingly, a student-centric module on 'Personality Development' seminar is innovated to train our students, keeping in mind that the programme should be simple to manage, but rich in content and values. I would like to request for your permission and support to conduct the Seminar. It will be ensured that information delivered to students is standardized.

Kindly accord approval so as to make necessary arrangements for Conducting a One Day Seminar on Personality Development.

Thanking you.
