About the Department: The future of the world is going to be technology driven and knowledge driven. The Humanities & Sciences Department at GIET has the most modern infrastructure to undertake high-end teaching, research and developmental activities in its laboratories like Computer Programming Lab, IT/Work Shop Lab, Engineering Physics and Engineering Chemistry lab, etc., besides highly experienced faculty. The department of Humanities & Sciences will lead broadest areas from cars to computers, from microchips to motorways including surgical robotic systems.

The faculty as well as the student community of this department are encouraged and motivated by the Head and the Management to attend workshops, seminars and conduct the same at the campus in order to keep pace with the fast moving competitive world advancing towards excellence.

PMKVY- Vehicle assembly fitter technician course (an AICTE approved and Ministry of HRD Govt. of India initiative) is also conducted at regular intervals for underprivileged students who cannot make it to the corporate due to unavailability of opportunities. This course is a citadel of social upliftment for imparting technical skills and leading a society for inclusive and sustainable growth.

About the workshop:

This workshop is especially important in adapting students to their changing roles in initiating and setting the directions for curricular changes. The major focus of the workshop is on upgrading the finance, training, and research skills of students. This workshop program is intended to provide opportunity for students employed in and upgrading their knowledge in the areas of swot analysis for business.

Learning Outcomes

Upon completion of this programme the participant will be able to:

- Able to understand the concepts of finance in business
- Applications of income generation
- Analyze the different methods of finance
