REPORT ON LITERACY AWARENESS CAMPAIGN

NSS Team along with the staff and students had visited Chilkur Village located in Moinabad Mandal on **08-09-2021** on account of **International Literacy Day**. All of us had visited each and every house in the village with the help of the Sarpanch.

Around 600 students along with the staff and NSS team had participated in the campaign.

All the students had explained about the importance of Literacy among everyone's life to the villagers. We had also explained the differences between literate and illiterate people and what problems can be faced by illiteracy.

We also explained them to send the children to schools and not for work. Many of the villagers supported us and assured us that they will provide their children a good education.
