2.An Awareness Programme on Importance of Education for Girl Students

An Awareness Programme on Importance of Education for Girl Students was organized in GIET on 30th October 2021 to spread awareness about girl's education, how it benefits the society and why it is crucial for the development of our society. It is said that a man educates himself but an educated women educates the whole family. To this programme we invited Dr.T.Vijaya Lakshmi, Associate Professor, Institute of Science and Technology, JNTUH. She mentioned that girls have time to time proved that they're no less than boys but better and efficient at work places. To encourage this we all should come together and do as much as we can and interacted with the students. The seminar ended with vote of thanks and 116 students were attended the programme.

4. Awareness Programme on Women Safety and Respect

Global Institute of Engineering and Technology organized an Awareness Programme on **Women Safety and Respect** on 12th November 2021. We invited Dr.Radha Kuppuswamy as key note speaker to this programme. She addressed the audience and shared her views about Women Safety and Respect. She mentioned that women's life is endangered due to violence and discrimination. They are kept away from participating in any social activity. There are many places in the country where women are still not aware of some of the most basic rights that they can take advantage of in order to empower themselves. Students also interacted in this programme and a total of 110 staff and students attended.

8. Essay Writing Competition on Gender Inequality

In connection with the observance of National Girl Child Day, an essay writing competition on 'Gender Inequality' was organized on 25th January 2022. The objective of the competition was to promote awareness about the rights of the girl child and to increase awareness on the importance of girl education and equal opportunities for them. It aims at creating an understanding among students about the gender-based discrimination that girls face in our society and bring about a change towards them. Around 95 students participated in the competition.

11. A Guest Lecture on Women Empowerment and Challenges

Under the able guidance of Dr.Ravindra Tiwari, Dean of Global Professional Colleges, a Guest Lecture was organized on Women empowerment and challenges on 11th April 2022. Speaker of the day was Mrs. B.Sadhana, Advocate, Hyderabad. She addressed the students and said women empowerment is a continuous process. She mentioned specifically the layers of social levels and structures lead to social inequality which is a most important barrier in the improvement of women strength. Challenges facing by women in their economic, social, political development are removed by setting certain social norms. It is hopeful that challenges will be minimized and potential of women will enhanced. At the end she suggested that it is extremely necessary to remove the obstacles in the empowerment of women as soon as possible, keeping this in mind this program has been organized. Nearly a total of 119 staff and students participated in this guest lecture.
