Day 2 &3: 02/12/2021 & 03/12/2021 (Lecture by Eminent Personalities)

To create an awareness about Engineering Education we conducted a 2 days lecture series conducted on 2nd and 3rd December 2021. This lecture series was taken by an eminent Professors of GIET. Dr.Arundhathi and Dr.BanshelkikarYashpalMurhari from Humanities and Sciences Department. They enlightened the students with their knowledge and gave deep insights into the topic and also revealed some interesting facts. This series of lecture was helpful not only to the students but also to the faculty members.

Lecture by Dr. Arundhathi, Asst Prof, Department of Humanities & Sciences

**Day 4&5 : 04& 06 /12/2021 (Creative Art and Craft& Drawing
Competition)**

Arts and Crafts are fun activities for students in the college life. Be it coloring with crayons or making miniature statues from clay, folding paper to create fine origami or designing a handmade birthday card, there are several arts and crafts activities, which can enhance the interest of the students and exploit their artistic potential. Nearly 40 students were participated and exhibited their talents.

Day 7 - 12: 08-14 /12/2021 - Bridge Course

The Bridge Course is aimed to act as a buffer for the new entrants, with an objective to provide adequate time for the transition to hard-core Engineering courses. During this interaction of bridge course week with the faculty and their classmates, the students equipped with the knowledge and the confidence needed to take on bigger challenges as future engineers of this country. In spite of having very good grades at Higher Secondary Exam, students need to have exposure of engineering culture. Hence bridge course proves to be the best opportunity for the students to adapt themselves to new social and academic environment. During this interaction with the experts, faculties and their classmates, the students were equipped with the knowledge and confidence needed to take on bigger challenges as future engineers of this country during the course.

These classes are conducted during the beginning of the semester for the Science subjects like Physics, Mathematics, Chemistry, English, Basic Electrical and Electronics and Engineering Graphics. This course is unlike the regular classes. Subject lectures, study skills, small-group activities, physical activities, creative and performing arts, literary activities, universal human values, etc are the main focus. Morning session bridge course and afternoon session essay writing

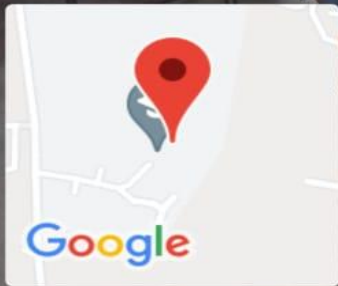

competitions and sports were conducted to the students. The Bridge course program successfully organized and completed under the guidance of Principal.

REPORT ON PROFESSIONAL ETHICS

A webinar on “**Professional Ethics**” was organized on 4th October 2021 through online platform ZOOM by the Department of Humanities & Sciences, Global Institute of Engineering and Technology. The Idea & Focus of this webinar for the students was to provide a deep understanding of Ethics which means a code of conduct that directs an individual in dealing with others. The webinar was attended by fifty nine Students.

Professional Ethics 4th October 2021

The webinar started off with the inaugural address by Prof Dr. S Jeelani Director Virtual Learning, HCU Director Virtual Learning, HCU-GT Campus ceremony and the coordinator of this webinar, Ms.V.Renuka, Asst Prof Dept of H&S. The eminent speaker of this webinar Dr. GPL JayaSree. Mam emphasized on the the code of ethics which is very important because it gives us boundaries that we have to stay within in our professional careers. The one problem with the code of ethics is that we can't always have the answers black and white. Sometimes there are grey areas where the answers aren't so simple. Professional ethics are also known as Ethical Business Practices.

The session was followed by Question & Answers. All the students participated in the session actively & there was a good response from the students. At the end vote of thanks was proposed by Ms.V. Renuka, NSSPO, Asst Professor Department of Humanities & Sciences.
