Note: The quoted tuition fees are estimates based on a standard full-time study load and are subject to change. Your tuition fees will increase annually throughout the duration of your course. Any variation to the course deposit fee and the tuition fee per term/study period will need to be paid in full by census date of your first term. Your Overseas Student Health Cover fee is subject to change on an annual basis. The University's current OSHC provider is Allianz Global Assistance and the current schedule can be accessed through the following link:

<https://www.oshcallianzassistance.com.au/policyDocument.aspx>

This offer is subject to the conditions and requirements (if any) listed below. Please note that the conditions outlined in this Letter of Offer must be met prior to issuance of your Confirmation of Enrolment (COE) unless the condition relates to a course being undertaken through CQUniversity or an approved packaged partner.

- It is a condition of this offer that the attached Admissions Statement of Purpose is completed to support your intention

to further your education in Australia. Please ensure your responses are in your own words and have addressed all questions thoroughly.

* This offer is conditional on the outcome of a financial assessment which will take place following acceptance of your offer, and prior to payment of fees and the issuance of a Confirmation of Enrolment (COE).

Overseas Student Health Cover (OSHC)

If you are applying to study as a student visa holder, the Australian Department of Home Affairs requires that you have Overseas Student Health Cover (OSHC) for the entire duration of your student visa. This means that the OSHC insurance must commence from approximately one month (4 weeks) prior to commencement of term and must be in effect until you leave Australia or move to a non-student visa subclass. CQUniversity's preferred OSHC provider is Allianz Global Assistance and you are provided with an Essentials Policy. The OSHC amount included in your offer is estimated on your expected visa duration. You will be required to finalise payment of any variation to this amount when you arrive on campus to enrol. If you plan to arrive prior to the start of your OSHC cover, you must immediately contact your health insurance provider to request that the cover starts earlier. This may mean that there are additional costs. If you intend to study on another temporary resident visa subclass (not student visa), please ensure you have adequate health insurance that meets the conditions applicable to your visa. Please note: Allianz Global Assistance OSHC schedule fees are subject to change. Policy details can be found at

<https://allianzassistancehealth.com.au/en/student-visa-oshc/cover/>

Tuition Fees

Fees are determined by CQUniversity annually and are subject to change. The fees that are payable in future years will be those that have been approved for that calendar year and may be different to those listed in your offer letter. Your offer letter lists the indicative annual fee (for two academic terms) and the deposit fee payable when you accept your offer. Commencing students who enrol from 2017 will be charged the relevant tuition fees as per the approved schedule for that year, and fees may increase each year. Units from a different discipline area will attract tuition fees at the applicable rate: this may increase/decrease your annual tuition fees. The other non-tuition fees applicable for the course are outlined in the CQUniversity Handbook at <https://handbook.cqu.edu.au/programs>. ** Please note that the fees mentioned in the acceptance table are the minimum standard deposit payable and are an indicative figure that is required to obtain the Confirmation of Enrolment (COE). Students will still need to meet the Genuine Temporary Entrant (GTE) criterion which includes the Financial Assessment prior to finalisation of Acceptance of Offer.

Credit Assessment Disclaimer

To gain an estimate of the credit you may be eligible to receive towards a CQUniversity qualification, please use the credit calculator found at

For more information on timelines and the CQUniversity Credit Policy, Principles and Procedures please visit

Full details are available in the 'Deferment and Pre-ponement of Admission Commencement' policy and procedure on the CQUniversity website at:

<https://www.cqu.edu.au/policy/all-policies>

If sponsored by a Government body or private institution, I give CQUniversity Australia permission to provide my sponsor with information about my application, enrolment, fees, academic progress and contact details.

I give CQUniversity permission to check my visa status using the DHA Visa Electronic Verification Online (VEVO) system and to obtain details on my current visa status as required.

I authorise the University to disclose information relevant to my application and enrolment to the University's Overseas Student Health Cover (OSHC) preferred provider, Allianz Global Assistance and other third parties (as required) for the purposes of arranging my OSHC, progressing my application and enrolment, and administering my course.

I accept and acknowledge any recognition of prior learning indicated in my offer of admission. I further acknowledge that any credit is conditional upon the presentation of the original or certified copies of academic transcripts, any testamurs and other documents at enrolment.

I understand that the withholding of information or provision of incorrect or fraudulent or deliberately misleading documentation relating to my application and acceptance may result in the cancellation of any offer or enrolment by CQUniversity Australia, and the University may inform others, including Government agencies, of this information. This may result in forfeiting all or a portion of any fees paid (see also refund summary).

I understand that information is collected on this form and during my enrolment in accordance with the Privacy Act 1988, and in order to meet CQUniversity's obligations under the ESOS Act and the National Code 2018 and the Vocational Education, Training and Employment (VETE) Act 2000; to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Students Regulations 2001 and the National Code 2018. Information collected about me on this form and during my enrolment can be provided, in certain circumstances, to the Commonwealth and State Government Agencies and designated authorities and, if relevant, the Director of the Tuition Protection Service. In other instances information collected on this form or during my enrolment can be disclosed without my consent where authorised or required by law.

I understand that in the unlikely event CQUniversity is unable to deliver the course offered to me, that I will be offered an alternative course or a refund of unspent fees. Further information is available at:

<https://tps.gov.au/StaticContent/Get/StudentInformation>

I understand that I will be pre-enrolled into my first term of study with the University, which usually would consist of 4 units of study. I also acknowledge that I understand that to finalise my enrolment and officially commence my studies, I will present myself at the relevant campus upon arrival in Australia and prior to commencement of my initial term/study period as per my letter of offer. At this time the Student Experience team at my campus will formally check me into my course/s.

I am aware that it is my responsibility to ensure that I am enrolled in the correct course and unit/s at all times to satisfy course progression rules and to ensure I am able to complete my course within the duration of my COE, and undertake to meet the policies and rules of CQUniversity as listed in the CQUniversity Handbook at:

<https://handbook.cqu.edu.au/>

I am aware of the likely costs of my stay in Australia, which includes tuition fees and associated study costs, living costs and dependant expenses (if applicable), and I understand that neither CQUniversity nor the Australian Government is obliged to help me if I require financial assistance. I understand that if I have children between the ages of 6 to 15 who will accompany me in Australia, I will be required to pay compulsory school fees. I declare that I have access to sufficient funds to cover the full costs of my study in Australia for the duration of my studies.

I understand that accreditation to professional bodies is not guaranteed upon completion of a course and that I have researched and read specific details regarding this in the CQUniversity handbook and also through the accrediting body.

I undertake to ensure that I arrive on campus approximately one week prior to the commencement of my studies to undertake the Orientation Program which will help me to settle in to Australia and understand my obligations as a student.

If I am undertaking English Language Studies (ELICOS), I undertake to study a minimum of 22 hours per week including 2 hours of independent study. I understand and acknowledge that I will assigned a class between the hours of 8.30 am and 6.30 pm.

Where possible, I agree to use the University's internal grievance and dispute resolution procedures to resolve any dispute or grievance which I may have. This agreement and the availability of the complaints and appeals processes does not remove the right of the student to take action under Australia's consumer protection laws. Further information regarding the University's grievance and dispute resolution procedures can be found at

<https://www.cqu.edu.au/policy/all-policies>

I understand that If I do not commence my studies with CQUniversity Australia for any reason, or breach a condition of this agreement or my student visa, or the University is unable to offer my course of study, that refunds are only payable under limited circumstances upon receipt of a fully documented and complete Refund Request form and in accordance with the legislated timeframes and the refund policy in effect at the time of lodging a request for refund. A copy of the current policy is attached to my offer for reference.

I understand and agree that should I need to apply for a refund, that the refund can only be paid to me (the student), or the person specified by me in this agreement. If I am the recipient of government sponsorship or an education loan, I acknowledge that refunds may only be paid to my sponsor or loan institution (unless the sponsor or loan institution

acknowledges otherwise).

I have read the refund policy and I understand that full refunds (i.e. 100% of the tuition fees paid) are only applicable if CQUniversity withdraws my offer or is unable to provide the course or where I am able to demonstrate compassionate/compelling circumstances that prevent me from commencing my studies. Partial refunds i.e. an administrative charge of 5% or \$500 will apply if my student visa application is refused or I cannot satisfy admission/English language requirements, or I transfer provider after having completed 6 months of my principal course. No refund will be payable to me if I breach this agreement in any way. I understand that in the event that I cancel my studies with CQUniversity prior to census date, that I may be eligible for a partial refund of unspent fees only. If I cancel my studies at any time after census date, I understand and agree that I am still liable for any outstanding fees that remain unpaid.

I understand and agree that if I transfer provider or cancel my course prior to the completion of my course/s as per my letter of offer and confirmation of enrolment/s then I will be required to repay in full all waived administrative fees (if applicable) and/or all CQUniversity scholarship amounts (if student is a recipient of a CQUniversity Scholarship) from each term enrolled and studied as per the International Student Scholarship and International Student Scholarship - Regional Terms and Conditions and the CQUniversity Refund Policy.

Further information regarding the CQUniversity refund policy can be found at:

<https://www.cqu.edu.au/policy/all-policies>

I understand and agree that by signing, or otherwise clicking acceptance of this agreement, I am entering into a legally binding agreement between myself (the student) and CQUniversity for the duration of my studies.

Orientation

Orientation and Orientation Online are a valuable introduction to life as a CQUniversity student. In fact, past students have said that Orientation was the most valuable thing that they did to prepare for study. Students starting their study should attend an on campus Orientation and complete Orientation Online. We encourage you to take full advantage of the lessons, videos and online workshops in the lead up to start of term! For more information visit:

<http://cqu.edu.au/orientation>

Pre-Enrolment

CQUniversity will enrol all accepted students into their first four units of study following acceptance of their Letter of Offer and issuance of an Australian student visa grant (if applicable). A study planner will be provided to each student along with details on how to access CQUniversity's course information. Each student must visit their campus to finalise their enrolment once they have arrived in Australia and generate your timetable. If a student does not check in with the Student Experience team their enrolment may be cancelled.

Communication

Email is the official means of communication within CQUniversity. Once you have accepted your offer, you will be given an official CQUniversity student email account. The University recommends that students check their CQUniversity Mail account once a week at a minimum as certain communications may be time-critical.
