1. Haritha Haram- Awareness

Global Institute of Engineering and Technology, Moinabad was established in the year 2006, with an aim to provide the best Engineering and Management Education to the students. Apart from academics the institute emphasizes on social issues particularly environmental awareness and responsibilities. In this regard our institution has hosted 1 day programme of “**Haritha Haram**” to promote the importance of tree plantation with the theme of SAVE NATURE – SAVE FUTURE. It was conducted 04th August 2018. In this programme 100 faculties and students actively participated including NSS volunteers.

10. National Cancer Awareness Day

GIET organized an awareness program on Cancer Disease with the theme of "Kill Cancer" on 07th November 2018. This day is recognized as National Cancer Awareness Day in India. The points which were discussed were the causes, symptoms and statistics of cancer. As per reports, India records 1.1 million fresh cases of cancer every year, and sadly, more than 66 per cent of those cases are detected at advanced stages where the treatment becomes near impossible. Thus it is essential that one is aware about cancer and its worst effects on life. This event was organized in Kanakamamidi Village and 84 NSS volunteers participated.

1. International Yoga Day

International Day of Yoga is celebrated on 21st June of every year since its inception in 2015. GIET gives the importance of physical education along with the academics. In this regard we, the GIET organized a special yoga camp conducted by a yoga expert on 21st June, 2016. More than 100 members participated and understood the logic behind Yoga and Health.

2. Independence Day

The institution celebrates Independence Day every year on 15th August. The day is celebrated with great fervor across every state of the country. This year also on 15th August 2016, Independence Day was celebrated with the flag hosting by Secretary of GIET Mr. K .M. Arifuddin. He addressed the gathering by recalling our freedom fighters and their sacrifices to the cause of freedom. Following Secretary sir's speech, Dean, Principal, all HODs and students expressed their opinions towards Independent India. 128 staff and students attended.

4. E-Cash Programme

Global Institute of Engineering and Technology also offers awareness programmes along with the academics. One such programme was the importance of E-Cash. To bring awareness about E-cash our college has conducted a one day awareness programme on "E-Cash system" in Peddamangalaram village. Villagers showed their keen interest and use of digital currency. The usage of Credit and Debit cards instead of paper currency and issue of it was the main focus of this awareness programme. It was conducted on 22nd September 2016 and 110 NSS volunteers participated.

10. Eco friendly Toilet and a small water tank constructed at Anganwadi School, Chilkur Village:

The Anganwadi School in Chilkur village did not have a toilet and water facility. The kids defecated in open. The uniqueness of the eco-friendly toilet lies in the fact that it is made up of plastic bottles filled with mud in place of bricks. This is also a part of waste management which is the need of the hour. The plastic bottles were chosen as they are one of the biggest pollutants plaguing the earth. It was constructed in November 2016 and 54 students monitored. One Liter plastic bottles of mineral water were collected and used filling with mud, compacted, capped and use in place of conventional bricks for construction of the toilet and water tank. It took ten days for completing the construction including the painting. This toilet for the tiny tots is also cost effective.
