## Memorandum of Understanding for Academic Cooperation

Between

**Global Institute of Engineering & Technology**

And

**Anwarul Uloom College (Autonomous)**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) recognize their strengths in research and education in one or more disciplines of science engineering, management and social sciences, and their mutual interest in engaging themselves in academic cooperation.

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) therefore agree to establish a programme for academic cooperation in the areas of mutual interest, and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU).

### A. Objectives

The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions. Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) agree:

- a) to exchange information on research and educational programmes
- b) to exchange information on teaching, learning material and other literature relevant to their educational and research programmes
- c) to jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty to participate therein
- d) to jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein
- e) to jointly propose and engage in research or training programmes sponsored by funding agencies, and to invite each other's faculty to participate therein

Page 1 of 4

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

#### **B. Joint Sponsored Research, Development and Consulting**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) agree to help identify and invite faculty members from the other institution to participate in research or development programmes. The terms and conditions for such participation will be worked out by mutual agreement between Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous).

#### **C. Exchange of Faculty, Scientists and Staff**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) agree to encourage collaboration between faculty and scientists from the two institutions. Specifically, institutions will encourage members of their faculties to undertake short visits to, or take up fixed term visiting assignments at, each other's institution as per the existing norms. Terms and conditions for each visit or an assignment, including those concerning stipend, travel, and housing, name of the concerned faculty member will be worked out between Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous).

#### **D. Student Exchange**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period to undertake a pre-determined programme of study or research.

- a) Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b) An exchange student will continue to be treated as full-time student at his/her home institution.
- c) An exchange student will be considered as full-time "exchange" student at the host institution.
- d) His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- e) The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.

#### **E. Exchange of Scientific and Technical Material**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous). will exchange information on research and educational programmes and teaching/learning material and other literature relevant to their educational and research programmes.

Further, Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous). agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

#### **F. Joint Conferences, workshops and short-term courses**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous). agree to help identify and invite faculty members from the other institution to participate in conferences, workshops, and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous).

#### **G. Intellectual Property**

Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise because of any collaborative research or activity under this MoU will be worked out on a case-by-case basis and will be consistent with the officially laid down IPR policies of the two institutions.

#### **H. Co-ordination**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee, consisting of (a) Director, Global Institute of Engineering and Technology, or his/her nominee, (b) and Principal, Anwarul Uloom college (Autonomous), or his/her nominee, (c) Programme coordinator from the side of Global Institute of Engineering and Technology

(d) Programme Coordinator from the side of Anwarul Uloom college (Autonomous)., will periodically review and identify ways to strengthen cooperation between the two institutions.

#### **I. Tenure and Termination**

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years and may be continued thereafter after suitable review and agreement.

Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither Global Institute of Engineering and Technology nor Anwarul Uloom college (Autonomous) will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, Global Institute of Engineering and Technology and Anwarul Uloom college (Autonomous) will ensure that all activities in progress are allowed to complete successfully.

#### J. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, Director, Global Institute of Engineering and Technology and Principal, Anwarul Uloom college (Autonomous) will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MoU is signed subject to approval of the respective academic/administrative bodies.
