10. Ms.Neha Jadhav Asst.Prof., Dept. of CSE
11. Mr.Shaik sharif Asst.Prof.,Dept of CSE
12. Mr.Subramanyam Asst.Prof., Dept. of CSE

How to Apply:

Interested students are required to fill Registration Form which is available with the coordinator.

Registration should be done between
18/07/2019 to 20/07/2019
Limited Registrations.
First Come FirstServe

WHO SHOULD ATTEND?

The Course is designed for B.Tech students of
CSE

For any query regarding this
programme , please contact

Website: www.globalhyd.edu.in

ABOUT INSTITUTION:

Global Institute of Engineering and Technology, Hyderabad, Telangana is affiliated to JNTUH & approved by AICTE. GIET was established in the year 2006 with a vision. To produce technologically skilled Engineers of world class competency to address global challenges .GIET nurtures and supports a unique system of education structure on values and combines the tenets of the academic excellence with corporate professionalism. The primary objective at Global Institute of Engineering and Technology is to impart quality education which leads to quality living. Located at Moinebad, the sprawling campus spread over 28 acres of lush greenery creates the most conducive environment for education. GIET offers under graduate programmes in ECE ,EEE ,CSE, CE, ME ,and post graduate programmes Embedded Systems & Structural Engineering.

The system Of educational Global Institute of Engineering & Technology grooms the students to rise into professionals and leaders of high academic caliber with unblemished character, Dedicated experienced and qualified faculty help in honing the skills of students at early level of their learning.

ABOUT THE CSE DEPARTMENT:

The Department has the necessary infrastructural facilities required for imparting high-quality education and the department is fully structured to meet the contemporary needs of the industry. Imparting high-quality education is supported by well qualified and experienced faculty; further support is extended by technically skilled and competent programmers.Seminars, Workshops and Technical Symposia are conducted in the department to keep faculty and students updated with the latest developments in various technologies. The students in the department are moulded into competent software professionals, to face the challenges of the IT sector

*Waiting for approval from JNTU

TOPICS TO BE COVERED:

- Introduction to Cyber Security
- Taxonomy of Attacks
- Safety Measures from Attack
- Cyber Forensics
- Password Cracking Techniques
- Key loggers, Spywares

Below are the means to help you with your self-reflection, self-verification:

1. **Attendance:** This Certificate Course is like a sentence spoken over 6 days. With Hands on. Participation in all sessions is desirable to get all the proposals being put forth.
2. **Assignments:** There will be session wise assignment which need to be submitted.
3. **Course Outcome Evaluation:** Exam will be Conducted on last of Course for which you need to get 80% in order to receive Certificate.
4. **Feedback**

ABOUT THE CERTIFICATE COURSE:

This course elucidates concepts related to Cyber Security. It is the set of principles and practices designed to protect our computing resources and online information against threats. It is also called as a technique of protecting internet-connected systems such as computers, servers, mobile devices, electronic systems, networks, and data from malicious attacks. We can divide cybersecurity into two parts one is cyber, and the other is security. Cyber refers to the technology that includes systems, networks, programs, and data. And security is concerned with the protection of systems, networks, applications, and information.

To

The Principal
GIET

Sir,

Sub: Hosting a One Week Certificate Course on Cyber Security– Reg.

The Department of Computer Science Engineering is planning to host a **One Week Certificate Course on Cyber Security** from 22/07/2019 to 27/07/2019. As Cyber Crimes are increasing every year, it is very essential for students to learn how to protect from Cyber Attacks. I would like to request for your permission and support to conduct the Course. It will be ensured that information delivered to students is standardized.

The course is designed to provide complete awareness of Cyber Security. Students will be able to protect themselves from phishing, online scams etc. Also by learning these they can develop applications which are more secure. It is therefore important for students to have a deep understanding of concept, to determine the importance of cyber security, to protect their online activity and enhance their knowledge. This Certificate Course will be very key as it will bring new ideas for the projects of students of the Department.

Kindly accord approval so as to make necessary arrangements for hosting a One Week Certificate Course on Cyber Security.

Thanking you.

Permitted

CIRCULAR

All the students III years of the department are informed to express their interest by enrolling their name for the One Week Certificate course on “**Cyber Security**” starting from 22nd July 2019 to 27th July 2019. The detailed syllabus for the course is attached for your information and the enrolled students will be certified accordingly based on the test conducted at the end of the course. Concerned mentors are instructed to submit the list of students enrolled within two days to the undersigned. For further information, you can contact the Course Coordinator Mr.Basha.V or Head of the Department.

A REPORT

ON

ONE WEEK CERTIFICATION COURSE: CYBER SECURITY

The CSE Department has Conducted a One Week Certification Course on “CYBER SECURITY” for B.Tech III Year Students from 22nd–27th July, 2019 in the campus.. The course was designed to provide complete knowledge of Cyber Security. Students will gain awareness to prevent their personally identifiable information from unauthorized access. Also by learning the different kind of attacks and tools used to perform those attacks ,they can easily switch over to ethical hacking stream in future. It is therefore important for students to have a deep understanding of concept, to determine the objective, to decide on a key project and to enhance knowledge. The Certification Course was conducted by Cluster IT Solutions Pvt Ltd, Hyderabad.

Day 1:

The first day of the Certification Course initiated with the motivating speech by Mr.Syed Mazharuddin (HOD) of our department. The coordinator of this occasion, Mrs.Shirisha, Assistant Professor, Department of CSE welcomed the gathering. Followed by this our Resource Person, Mr.Sunil Kumar, Cluster IT Solutions Pvt Ltd, Hyderabad.delivered his introductory speech.

The session started immediately after inauguration, Mr.Sunil Kumar has introduced the basics of Cyber Security. He has mostly emphasized on the critical importance of data, and Confidentiality,Availability and Integrity.He then delivered his talk on the increase in number of Cyber Crimes and he has stressed on what it is and what are the different types of Cyber Crime.After the lunch break all the students assembled session on preventing from phishing attack .

Day 2:

The second day session was chaired by Mr.D.Srinivas, Associate Professor Department of CSE JBREC who delivered a lecture on different types of Attacks and their adverse. He talked about how criminals will plan the attack. It was followed by another lecture on Safety measured from different attacks. In the session he discussed the counter measures to be followed inorder to prevent from the attack.

Day 3:

The third day session was chaired by Mr.Sunil Kumar our resource person who delivered a lecture on Social Engineering and Cyber Stalking .He talked about how attackers persuade users to

reveal their sensitive information through call spoofing and other means. It was followed by another lecture on 'Tools used to perform Social Engineering'. where he elaborated on how to social engineering and cyber stalking are done. The last session was on the discussion on cyber forensics.

Day 4:

The fourth day session was chaired by Mr.Syed Mazharuddin,sir delivered a lecture on different types of Attack Vectors and their adverse effects. He talked about how phishing can be an attack vector in revealing confidential information.It was followed by another lecture on 'Botnets' where he elaborated on what is botnet and how attacker can use victim's machine to initiate or launch another attack. The last session initiated by Mr.Syed Mazharuddin Associate Professor and Head of CSE Department, with practical implementation on "Password Cracking" .

Day 5:

The fifth day session was chaired by resource person Mr.Raju, Associate Professor and Head, Department of CSE,Jagruthi Institute of Engineering and Technology who delivered a lecture on different types of Keyloggers and their adverse effects. He talked about how the information will be captured without users knowledge. It was followed by another lecture on 'Spyware', where he elaborated on how entire mobile or computer activity including chat details will be obtained by attacker. The last session was practical implementation on "Keyloggers and Spywares".

Day 6:

On Sixthday, first session was initiated by a lecture on 'SQL Injection Attacks' by our Resource Person Mr.Sunil Kumar, Cluster IT Solutions Pvt Ltd. He spoke about the syntax of SQL commands, different malicious queries and their usage to obtain sensitive information from database. He has stressed on **validating** applications to avoid and prevent such data leakage. All the students participated in the session actively and showed enthusiasm. In the afternoon session written test was conducted for students, and all the questions were given in multiple choice basis. The next session was a valedictory, in that feed back was taken from all the students and certificates are distributed to all Participants.
