## PERSONAL COUNSELING REPORT FOR THE ACADEMIC YEAR 2018-2019

The counseling cell services aims at helping students reach their highest academic and personal potential. This may involve helping with personal, learning and career concerns and promoting success and wellness among them.

Faculty counseling a student

This cell provides a confidential atmosphere in which the students can explore any topic or situation and discuss any concern they may have. The students are helped to work through their problems, to develop self-awareness and to overcome problems. This counseling cell offers counseling to students on individual basis by the senior faculty.

A total no of 54 students were offered individual counseling by Student Mentors during the A.Y:2018-19 and the counseling Sessions were monitored by Head of the Department.

## PERSONAL COUNSELLING REPORT Academic Year 2014-15

Counseling at Global Institute of Engineering & Technology is completely confidential and free for all students. Every teaching staff is attached with some students and take care of the academic related counseling and also monitor the attendance and academic progress of the students. They also maintain contacts with the parents of the students. In general students suffer from mental stress resulting in depression, anxiety, adjust mental disorder, personality disorder, difficulty in handling relationships (with peers, family members) and substance abuse. In such cases students are referred or directed to professional counselors who are available in the campus. Counselors help to resolve and avoid potential problems and also help students to make constructive changes.

A total no of 34 students were offered individual counseling by Student Mentors during the A.Y:2014-15 and the counseling Sessions were monitored by H.O.D &Principal
