

### ABOUT INSTITUTION:

Global Institute of Engineering and Technology, Hyderabad, Telangana is affiliated to JNTUH & approved by AICTE. GIET was established in the year 2006 with a vision To produce technologically skilled Engineers of world class competency to address global challenges. GIET nurtures and supports a unique system of education structure on values and combines the tenets of the academic excellence with corporate professionalism. The primary objective at Global Institute of Engineering and Technology is to impart quality education which leads to quality living. Located at Moinabad, the sprawling campus spread over 28 acres of lush greenery creates the most conducive environment for education. GIET offers undergraduate programmes in ECE, EEE, CSE, CE, ME and postgraduate programmes Embedded Systems & Structural Engineering.

The system of education at Global Institute of Engineering & Technology grooms the students to rise into professionals and leaders of high academic caliber with unblemished character. Dedicated, experienced and qualified faculty help in honing the skills of students at early level of their learning.

### ABOUT THE DEPARTMENT:

The department of Humanities & Sciences, since its inception in 2006 follows "Scientific approach—pursuit for truth" and striving at par to academic excellence with value based education. The Department of Humanities and Science has emerged as a department pursuing excellence and grown in strength over the years in terms of infrastructure including laboratories and faculty. Even after a decade, the department is burgeoning with highly motivated and well qualified young as well as experienced faculty including PhDs from other universities. H&S Dept caters to the needs of all the students and nourishes the practical skills by providing the flexibility of self learning for students through audio-visual methods.

### ABOUT THE FDP:

Innovative Teaching Learning Methods Programming is a course that focuses on teaching faculty about the various commands, functions, and features that Importance of Science in Engineering have to offer. Importance of Science in Engineering have a lot of capabilities and so this course will only focus on the main topics to get you comfortable creating your own scripts and Innovative Teaching Learning Methods models. This course contains many examples of different projects as well as step-by-step solutions to help you best understand what is going on. the completed code is attached in the projects so that faculty can download and get the same results they see onscreen.

### COURSE STRUCTURE

This course is designed to teach faculty through a combination of articles to help explain various topics and videos to show examples of these topics. There are also various quizzes that are designed to test faculty and let them know if they sufficiently understand the information presented in the section. This course starts out by briefly covering an overview of the Innovative Teaching Learning Methods environment and where specific tools are located.

Below are the means to help you with your self-reflection, self-verification:

1. Attendance This Innovative Teaching Learning Methods is like a sentence spoken over one week. Participation in all sessions is desirable to get all the proposals being put forth.
2. Exam  
Start on 20/01/2020 2PM and Ends on 25/01/2020 2:30 PM.
3. Feedback  
Start on 20/01/2020 2PM and Ends on 25/01/2020 2:30 PM.

### TOPICS TO BE COVERED:

- THE ROLE OF INNOVATIVE TEACHING LEARNING METHODS
  - THE IMPORTANCE OF INNOVATIVE TEACHING LEARNING METHODS
  - THE PURPOSES OF INNOVATIVE TEACHING LEARNING METHODS
- SKILLS

A REPORT

ON

ONE WEEK FDP PROGRAMME

**Innovative Teaching Learning Method**

A One Week FDP Programme on Innovative Teaching Learning Methods was organized during 20<sup>th</sup> Jan, 2020 to 25<sup>th</sup> Jan, 2020 in the college campus by the department of H&S ,Global institute of engineering and technology. The aim of this FDP is to learn the Innovative Teaching Learning Method for the participants at higher level. The FDP was attended by 30 Participants

**Day 1:**

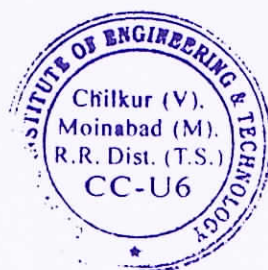

The FDP started with the inaugural ceremony and the coordinator of this occasion, Ms.V.Renuka, Assistant Professor, department of H&S welcomed the gathering. The morning session started immediately after inauguration, at 10.00am in which Mrs.Zeenath, motivational speaker delivered his energetic speech on Innovative Teaching Learning Method till 1.00 pm. The next Ms.V.Renuka, Assistant Professor, GIET lectured on why are employability skills important for communication skills, from 2.00pm to 3.30 pm

**Day 2:**

On second day ,first session was started at 9.30 am by Mr. Joseph, Motivational speaker delivered lecture on Soft skills and job preparation till 1.00 pm. The next session Mr. Tawseef Majid, Assistant Professor, GIET delivered on energetic lecture on Thinking skills which is very helpful to participants, from 2.00pm to 3.30 pm.

**Day 3:**

On third day first session started at 9.30 am by a lecture on Job research training and purpose basic education by motivational speaker Mr.Joseph, till 3.00 pm with same speaker. All the participants participated in the session actively and there was a good response from the participants. The FDP concluded by feedback and certificate distribution to the participants.

#### Day 4:
