REPORT ON VOCATIONAL TRAINING ON FITTER AND WELDER

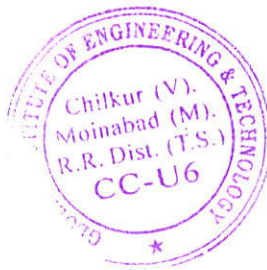

2014-2015

Vocational Training on Fitter And Welder provided for the upcoming second year students of department of Mechanical Engineering from 29th June, 2015 to 02nd July, 2015 which was organised by Mechanical Department. Apart from the regular Academics, this programme was planned in order to make students learn some practical working Skills. This also helped students to be engaged with skilful work in their summer vacation.

Some of the concepts like Basic symbols of Welding, Rules of safety of Welding, Welding devices, Welding tools, Welded joints, Fitting tools, Fitting methods were taught to the students and created good practical awareness among them regarding these concepts.

The programme was arranged for four days where there were two sessions held per day, Forenoon and Afternoon and the duration of each Session was 2 hours. Forty students of the Department of Mechanical Engineering participated in this programme.

We are grateful to the College management for the necessary arrangements and support made for the conduction of this programme which helped our students a lot.

REPORT ON VOCATIONAL TRAINING ON FITTER AND WELDER

2016-2017

Vocational Training on Fitter And Welder provided for the upcoming second year students of department of Mechanical Engineering from 12th June, 2017 to 15th June, 2017 which was organised by Mechanical Department. Apart from the regular Academics, this programme was planned in order to make students learn some practical working Skills. This also helped students to be engaged with some work in their summer vacation.

Some of the concepts like Basic symbols of Welding, Rules of safety of Welding, Welding devices, Welding tools, Welded joints, Fitting tools, Fitting Methods were taught to the students and created good practical awareness among them regarding these concepts.

The programme was arranged for four days where there were two sessions held per day, Forenoon and Afternoon and the duration of each session was 2 hours. Forty students of the Department of Mechanical Engineering participated in this programme.

We are grateful to the management for the necessary arrangements and support made for the conduction of this programme which helped our students a lot.
