

GR24 II - I Supplementary Registration Important Notice

ATTENTION AND IMPORTANT

Dear Students,

It has come to notice that many students who have II Year I Semester Supplementary Examinations (Theory and Lab) haven't registered for the examinations.

Upon receiving requests from many students and parents, the students who haven't registered for II-I Supplementary Examinations and want to register for the same shall meet the Controller of Examinations on **02/05/2026** in **Room No. 47** with a request letter and a copy of II Year I Semester Result from **9:00 AM to 11:00 AM only**.

A certain fine will be imposed and on-spot registration can be done.

This facility is made available to utilize it properly. Just because of innocence, students shall not lose one academic year (due to Credit Detention). Be wise and take decisions accordingly.
